

WEST BEND SCHOOL DISTRICT UPDATE

June 18, 2025

Construction is Underway!

Construction at Green Tree and McLane Elementary Schools began at the end of the school year. Headway is already being made, and we look forward to having secure entry sequences, updated bathrooms, new windows and fire alarm systems, and more. Check out our [Spring Construction and Design Update](#) report for a complete list of the projects this summer at both schools.

West Bend School District High Schools Process for Configuration Review

Reminder: The West Bend School District is seeking input from students, staff, and families regarding the process and timeline for examining the high school configuration (two high schools vs. one high school). We are looking for input and included a survey in the last newsletter and via email from principals. If you have not already done so, please complete [the survey](#). If you cannot access the survey, send an email to wbsd@wbsd-schools.org to ask for alternate access. The survey closes on Friday, June 20.

Moving? Let Us Know!

If you have already moved or are planning to move in the months to come, please don't forget to complete our [change of address form](#). This will help with keeping our records up-to-date for correct elementary school assignments.
