

McLane Trunk or Treat Fundraiser

Friday, October 27th 5:00 – 6:00 PM

****All funds raised this evening will go towards new furniture for the 2nd grade classrooms****

Please join us for the 2023 McLane Trunk or Treat Fundraiser! **Trunk or Treat** is a Halloween event that provides a safe, family-friendly environment for trick or treaters. Families have the option to host a trunk with candy *or* pay \$15 to participate. McLane families who choose to host trunks will park their cars in the McLane upper parking lot, where they will open their decorated trunks (or the backs of their vehicles) and pass out candy. An adult **MUST** accompany all children. We ask for everyone to pre-register as change will not be available the night of the event.

Trunk or Treat Options:

Option One: RSVP to register a trunk *and* the number of children participating in trunk or treating. Families can choose to host a trunk and will provide candy for the trunk or treaters (we will contact families with an approximate number of participants after everyone registers). Families who host a trunk **do not** pay the \$15, but please RSVP to let us know that you are hosting a trunk AND tell us the number of children in your group who will trunk or treat so we have enough candy.

*****What to know***** It can be helpful to pick a theme. Think of it like dressing yourself in a costume or decorating your house or yard for the holiday. Please note that trunk or treaters will vote for their favorite trunks and prizes will be awarded to the top three vehicles, so get creative! Bring pre-packaged candy or treats to hand out as no homemade goods are allowed. RV's and buses will not be allowed due to limited space and no electricity will be provided.

Option Two: RSVP with the number of children who will participate in trunk or treating. If you do not want to host a trunk but still wish to participate, families can pay \$15 for the entire family to trunk or treat. We ask that families RSVP with the number of children who will participate so there will be enough candy.

******We encourage all our participants to dress in costume but please be advised that weapons, alcohol, and tobacco (real or as part of a costume) are prohibited on school grounds.***
